WORK EXPERIENCES

UOA Academy (UOA Group Berhad) **Bangsar, KL**

Learning & Growth Specialist *(Reporting directly to Chief Learning Officer)* *Feb 2025 – Current*

- Manage end-to-end learning and development programmes, covering needs identification, programme planning, participant selection, training coordination, stakeholder engagement, implementation and reporting.
- Conduct Training Needs Analysis (TNA) to identify development needs and translate findings into targeted learning programmes and implementation plans.
- Support learning and talent development initiatives across UOA Group, coordinating with internal stakeholders to align programme objectives with organisational and workforce development needs.
- Support corporate training initiatives and HRD Corp grant applications, including levy utilisation for training programmes across UOA Group companies.
- Spearheaded "Trainers Connect", attracting nearly 100 potential trainers and onboarding 80 Associate Trainers into UOA Academy's trainer pool.
- Screened and shortlisted 30+ candidates from 500+ applications within one month for programme intake, supporting talent identification and participant selection.
- Coordinate learning programmes involving corporate partners, government agencies and industry stakeholders, ensuring alignment between programme objectives, participant needs and employment outcomes.
- Led learning programmes involving nearly 100 underprivileged participants, supporting skills development, professional certification and transition into employment.
- Secured RM100,000 in government grant funding from the Department of Skills Development to support learning and workforce development initiatives.
- Manage programme documentation, monitoring, reporting and stakeholder follow-up to support effective programme implementation and continuous improvement.

- Support P&L tracking and Q3–Q4 2026 forecasting, contributing to resource planning and 2027 business priorities.
- Develop and maintain strategic partnerships with government agencies and industry organisations to support learning, talent and workforce development initiatives.

Metropolitan Corridor Sdn Bhd **Subang Jaya, Selangor**
Academic Executive *Aug 2024 – Feb 2025*

- Managed participant development and intervention programmes focused on soft skills, character development and personal growth.
- Analysed participant performance and development needs to support structured learning pathways for sponsored students pursuing professional certifications.
- Conducted interviews and selection processes for Yayasan Peneraju scholarship programmes, supporting talent identification and selection.
- Conducted regular engagement sessions with educational institutions to monitor participant progress and address development needs.
- Supported the planning and coordination of team-building and development activities for internal teams.

Ministry of Education **Wilayah Persekutuan Putrajaya**
Perdana Fellow: Minister Office *2022*

- Supported programme coordination, stakeholder engagement and official engagements involving government stakeholders.
- Developed a policy proposal for an inclusive education programme for students with disabilities, contributing to programme planning and policy development.
- Assisted in preparing speeches, forewords and official communications for ministerial engagements.

SELECTED PROJECT & LEADERSHIP EXPERIENCE

2026 | Invited Speaker – Yayasan Tenaga Nasional Berhad (YTN)

- Invited to deliver a motivational session for YTN-sponsored scholars, supporting personal development, motivation and career readiness.

2025 | Panel Member – International Youth Exchange Program Module Development Workshop

- Contributed to the development of programme modules for an international youth exchange programme, through discussions and content input organised by the Ministry of Youth and Sports

2023 | Programme Director – UPSI: Malaysia Book of Records "The Longest Non-Stop Public Speaking 62 Hours"

- Led and coordinated a 300-participant programme involving participants from diverse age groups, while securing RM30,000 in sponsorship from the State Government, with the programme subsequently recognised by the Malaysia Book of Records.

AWARDS & RECOGNITION
